

# Mint 32 Has a Beautiful Smile Just for You.

## Advanced science and dentistry in a spa-like environment.

For everything from whitening to custom-made porcelain veneers, Dr. Darrell Morton uses the latest cutting-edge technology to give you a beautiful and healthy smile for a lifetime. All in a warm and inviting spa-like environment.

## How beautiful can your smile be?

Dr. Morton has created beautiful smiles for Broadway stars, professional athletes, music artists, international executives and soccer moms. He can make your smile just as beautiful as theirs.
