DR. DARRELL J. MORTON

Mint 32 Dentistry

Beauty, comfort and a whole-health approach all converge at Mint 32. Dr. Morton travels all over the country for the latest training every year in order to give you the best available and most comfortable care.

Dr. Morton has dedicated his practice to helping patients achieve the level of health they deserve and the confidence in their smile they desire. His practice philosophy evolved through the influence of many great educators and mentors with the goal of creating the most relaxing environment for patients possible.

Dr. Morton's patients include Broadway stars, professional athletes, dentists, physicians, music artists, international executives, soccer moms and people just like you. Patients come from metro Atlanta and from around the world for treatment because of the quality of care they receive and the trust they have in Dr. Morton.

Mint 32 is a warm and relaxing spa for your smile. A special place where everything is about giving you a beautiful and healthy smile for a lifetime. A place where the latest, cutting-edge technology is used for your comfort and for great results you've only dreamed about.

Medical Degrees

Dr. Darrell Morton has a Doctorate of Dental Medicine from Georgia Regents University, is a Fellow of the Academy of General Dentistry and is a member of the American Academy of Cosmetic Dentistry and the American Academy of Implant Dentistry.

Areas of Expertise

Comprehensive, complete health dentistry for adults; cosmetic dentistry; full mouth reconstruction and implant dentistry. Dr. Morton is a skilled dentist with an artistic eye whose many years of training and experience help give patients the smile they've only dreamed about. Many patients who are unhappy with their past cosmetic dental procedures come to Dr. Morton to rescue them and get the results they really wanted.
